GET THE VIBE

The Northwest Express

Over the past decade, the **Pacific Northwest** has built a food and style movement all its own. And while the bike riding, espresso guzzling, and jam making may dip into hipster ridiculousness at times (see *Portlandia*), the region's restaurants, artisanal producers, and woodsy aesthetic influence how the rest of us eat, drink, and live. Here's how to bring their world to yours. —DEENA PRICHEP

Beard? Check. Tattoos? Yep. Amazing local crab? You bet. Just another night at the ambitiously casual *Woodsman Tavern* in PDX.

With updated cabins set amid fir trees on the Washington coast, *Iron Springs Resort* nails a modern take on the Twin Peaks feel.
